OUR VALUES

Integrity

At Integral Builders, integrity is the cornerstone of our business. We hold ourselves to the highest ethical standards in all our dealings. We believe in transparency and honesty, ensuring that our clients and partners can trust us implicitly. Our commitment to integrity means that we deliver on our promises and maintain the highest level of professionalism in the construction industry.

Teamwork

We collaborate seamlessly with our diverse team of skilled professionals, from architects to builders. We foster an environment of mutual respect and open communication, allowing us to work together effectively to achieve common goals. Our clients benefit from the collective knowledge and experience of our team, resulting in successful projects every time.

Customer Focused

Your vision is our priority. We are dedicated to understanding your unique needs and goals. We maintain an unwavering commitment to delivering projects that not only meet but exceed your expectations. We listen, we adapt, and we ensure that your project is a reflection of your dream home or development.

Excellence

We are driven by a passion for excellence. Our work is a testament to our commitment to quality and craftsmanship. Our meticulous attention to detail, from project planning to final execution, ensures that every project we undertake is of the highest standard. We believe that excellence is non-negotiable, and it's what sets us apart in the construction industry.

Positive Impact

We are dedicated to making a positive impact on the communities we serve. This extends beyond the structures we build. It's woven into every aspect of our work, enhancing the experiences of our clients and the well-being of our dedicated team.

Innovation

Innovation drives us to continuously improve and stay at the forefront of the construction industry. We embrace new technologies and modern construction techniques to deliver efficient, cost-effective, and sustainable solutions. By pushing the boundaries of what's possible, we create spaces that are not only functional but also cutting-edge.

OUR SERVICES

We're a full-service contractor based in South London. From initial design to the final touches, our results speak for themselves.

All of the services provided by us are done so with quality and care. With over a decade of working in the industry, our team of dedicated professionals come together to provide our clients with an impeccable service.

THE CUSTOMER JOURNEY

When it comes to our projects, the journey is a crucial factor in ensuring a successful outcome. From the very beginning, it's important for us to establish a clear understanding of your needs & expectations, as well as any potential challenges that may arise.

Regular communication and updates are key to keeping everyone on the same page & avoiding any unwanted surprises. Finally, a smooth & satisfactory completion of the project is essential in leaving you with a positive experience. We prioritise the customer journey & in taking a collaborative approach throughout the project.

01

Initial Inquiry

Potential clients, whether they are developers, interior designers, or homeowners, get in touch.

02

Initial Consultation

A representative from Integral Builders will be in touch to discuss your project ideas and requirements.

03

Site Visit

For a more in-depth understanding of the project, our team will conduct an on-site inspection, taking measurements and assessing the existing conditions.

04

Proposal

Following the site visit, our team will prepare and submit your tender.

05

Contract Signing

Once the client approves the proposal, a formal contract is signed, outlining project details, costs, and timelines.

06

Pre-construction Meeting

A pre-construction meeting is held to introduce the client to the project manager, establish clear lines of communication, and discuss any final design details.

07

Construction Phase

The actual construction work begins. This includes demolition (if required), structural work, extensions, or loft conversions, and all interior and exterior improvements. Your project manager ensures that the project stays on track and within budget.

08

Regular Updates

We provide regular updates to the client, keeping them informed about the project's progress and addressing any questions or concerns they may have.

09

Quality Control

Throughout the construction phase, rigorous quality control measures are in place to ensure workmanship is of the highest standard.

10

Final Walkthrough

When construction is complete, a final walkthrough is conducted with the client to ensure everything meets their expectations. Any necessary adjustments are made.

11

Handover

Your team will hand over the keys to you, along with all relevant documents, warranties, and maintenance instructions.

12

Post-Project Support

We offer ongoing support and maintenance, ensuring the client's satisfaction with their new space.

PROJECTS WE LOVED

At Integral Builders, we redefine living spaces through innovative construction.

Having successfully completed a range of both small and large-scale projects throughout London and Surrey, our work showcases our commitment to transforming visions into reality.

HOWDEN RD, NORWOOD

A Comprehensive Home Renovation.

Collaborating closely with the clients and architects, we stripped this property entirely, reconfigured their living spaces and added a **double-storey extension**, a spaciouly designed **loft conversion** and a bespoke **basement**.

The result is a harmonious blend of functionality and aesthetics, with meticulous attention to beautiful finishes

DERBY ROAD, UXBRIDGE

A Complete Home Transformation.

This project involved a full-scale renovation that reimagined the property from the ground up. We delivered a seamless **side extension** and **loft conversion**, unlocking valuable new living space, alongside a complete **internal reconfiguration** to improve flow, light, and functionality.

The once-outdated home was fully transformed for modern family living.

BALHAM PARK RD, WANDSWORTH

Refined Victorian Living, Reimagined for
Modern Life.

A considered **ground floor refurbishment** of a Victorian terrace in Balham, centred around a bespoke kitchen with natural stone, tailored cabinetry and subtle brass detailing. Reconfigured living spaces enhance light and flow, while original features are sensitively retained and paired with a restrained, cohesive palette.

TREETOPS, LEATHERHEAD

Redefining the boundaries of modern living.

In this beautiful **Kitchen Renovation**, we opened up their ground floor to create a captivating open-plan kitchen, adorned with expansive bi-fold doors.

The seamless integration of indoor and outdoor spaces not only enhances the aesthetic appeal but also fosters a dynamic living experience

ASLETT STREET, WANDSWORTH

Expanded Living, Seamlessly Integrated

A comprehensive transformation of a Victorian home, combining a **side return extension, roof extension** and **full internal refurbishment** to create a cohesive, light-filled living environment. Original character is balanced with contemporary interventions, resulting in a thoughtfully extended home that feels both generous and seamlessly resolved.

WIMPOLE ST, MARYLEBONE

Step into luxury with our **two-bedroom apartment renovation** in the heart of central London.

No detail was spared as we refurbished every room, seamlessly blending sophistication with modern functionality.

From the stylish living spaces to the rejuvenated bedrooms, this project exemplifies our commitment to creating exquisite and functional interiors

REGENTS WHARF, BETHNAL GREEN

A Contemporary Development, Elevated
Above the Existing

A six-apartment development in East London created through a carefully designed **mansard loft conversion**, adding a contemporary upper level to an existing building. The result is a collection of considered, design-led apartments that balance efficient planning with a calm, contemporary aesthetic.

BERESFORD AV, SURBITON

A Contemporary Transformation.

We elevated the living experience by opening up the ground floor, creating a spacious, modernised **Kitchen** and converting the **Garage** into a versatile space.

From the **Bathroom Renovations** and a seamlessly integrated **Loft Conversion**, every detail reflects our commitment to crafting exceptional living spaces.

UPPERTON RD W, PLAISTOW

Experience the transformation of a property primed for the rental market.

We stripped the house and introduced a **double-storey extension, loft conversion**, and carefully curated **kitchen and bathroom fit-outs**.

Our commitment to budgetary considerations did not compromise the desirability of the space.

GRANVILLE GARDENS, NORBURY

Redefine the heart of the home.

This meticulously crafted **Kitchen Extension** blends style and functionality to create a space that invites both culinary creativity and shared moments

Every detail, from the fixtures to the finishes, reflects our commitment to creating a serene oasis within the home

OUR GUARANTEE

We pride ourselves on delivering **exceptional workmanship** to the highest standards of **quality and excellence**, while always prioritising the safety and well-being of our clients, our team, and everyone involved in our projects.

We are fully accredited and endorsed by both the **Federation of Master Builders** and **Which Trusted Traders**, reflecting our commitment to best practice, reliability, and customer care. To maintain the highest safety standards, we work closely with a dedicated **Health & Safety Officer** throughout every phase of construction, ensuring full compliance and peace of mind..

All work is fully covered by **Public Liability** and **Contract Works Insurance**, and upon completion you will receive an **Integral Builders Warranty Certificate**, providing lasting reassurance in the quality and longevity of our work.

TESTIMONIALS

"We found the team to be 100% reliable and trustworthy, always there to help and support and did an excellent job with regard to workmanship in all areas."

Dave, Surbiton

"Your professional approach has made a potentially challenging project manageable and straight forward"

Julie, Dulwich

"He kept us informed at all times during the work and has a really unique philosophy of customer service and standards, which it is clear that his team all understand and follow."

Sara, Norwood

"From start to finish they were excellent, I would not think twice about using these guys again, I would give them 6 stars if I could!"

Chris, East London
